We/I are in need of:

- Child care within ordinary hours (06:00-18:00):
- Replacement in regards to child care
- Child care on irregular hours (which is offered at Snörmakaren's preschool) Do not forget to complete your application with the child's schedule and your proof of work
- Regular hours every week                       Different or varied hours

If you are in need of child care on irregular hours is there a need for a single or double placement?

Single placement means that the child spends all its time on Snörmakaren. Double placement means that the child's care on irregular hours is spent at Snörmakaren and the child's care within ordinary work hours is spent at a different preschool/after school care. In regards to double placement, the parents or custodian is responsible for bringing the child to Snörmakaren (with the exception of children who are in after school care in Närlunda).
